Words of Wisdom

Dear Members,

Better late than never ! A very Happy New Year to each one of our wonderful IASAP Ladies!! A New Year is a time for new opportunities, new ideas, new resolutions, new changes, and the list is unending. Our Committee is fervently doing all we can, to bring you the best for every meeting and we do hope that this year too we will live up to your expectations like always !!

February, the month of Love, carries with it a lot of anticipation and promises. It is not only about looking forward to spending time with loved ones but also the perfect time to plan the perfect date or express your feelings to the ones who matter the most.

It is believed that Valentine's Day was established to commemorate the martyrdom of a Christian saint, St.Valentine. However, over the years, it has become a significant commercial celebration of romance and love in many regions of the world.

Let us take this opportunity to express our love and affection towards all those who make our lives special. Let us cherish the beautiful relationship we share with our family and friends. Happy Valentine's Day ! Lots of Love !

We would like to mention that this year we are having a special event and request all the members of our Chapter to attend the Convention and make this event a grand success.

Best Wishes,

✍️ Priya

HAPPENINGS

Our Christmas party

The much awaited Christmas party of our chapter was held on Saturday the 18th of December at the Westin Hotel, Velachery. Members and their families / guests were present in good number.

Chairperson Priya Balaji, welcomed all those present and said how important Christmas festival is, which is celebrated the world over, not only by Christians but other religions as well. She said Christmas is a time for family gatherings, exchanging gifts and helping the less fortunate etc..

A few members joined in to sing melodious carols.

Maria then announced the names of members celebrating their birthdays in December.

Surekha conducted some games for children, members and guests. Gifts were given to the winners.

This was followed by a brief skit wherein Santa stressed that we needed to teach our children the real meaning of Christmas. For eg.

The fir tree which remains green throughout the year reminds us of everlasting hope of mankind.

The Bethlehem star indicates God's promise to send a saviour into the world.

Candle symbolises that Christ is the light of the world. The wreath reveals the endless nature of God's love and generosity.

The candy cane represents the shepherd's staff.

The angels were heavenly messengers who sang of the glory of God bringing peace and goodwill to everyone on earth.

The three wise men then arrived and bowed before child Jesus. They presented gifts of gold, frankincense and myrrh. That is why we give gifts to each other during Christmas.

Opportunity was taken to organise some dances for members and their families as well as guests. The best performers were selected by Andrea Jacob for the teaser to be prepared shortly for the forthcoming convention. They will have further practice and Surekha urged them to be committed.

Sumptuous tea was served by the hotel after which we reassembled. Santa arrived in his usual style and handed over gifts to everyone present.

Members then disbursed but not before wishing each other a very happy Christmas and a bright and prosperous New Year.
