## **Words of Wisdom**

## **Dear Members,**

I look back at the year that has gone by with pride and gratitude. It was the unstinted support that I received from all of you that has enabled me to cruise past these years with confidence and ease.

We are now getting into another year full of challenges and we shall collectively overcome all our hurdles and meet them.

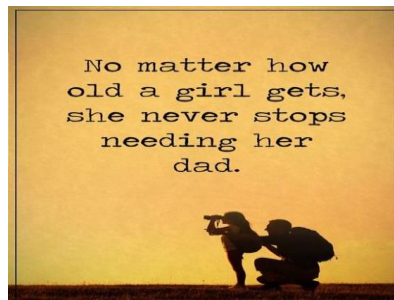

Without your support and help, I could not have completed my tenure of two years with such a sense of achievement. We have many miles to go and all of you have kept the IASAP TN Chapter's flag flying high all along and we will continue to do so.

I sincerely thank you for all your cooperation and look forward to the year ahead with hope and pledge to complete the unfinished agenda that we set for ourselves.

Let us take forward the learnings and experiences from the past year and welcome the New Year with excitement.

I would like to thank all the outgoing committee members and extend a hearty welcome to all the new members. The present committee will continue the good work done and work for the realisation of IASAP's objectives.

Last month we celebrated Mother's Day. To honour all fathers for everything they do for their children, Father's Day is celebrated on June 18th. So, to all fathers.....

Priya

## HAPPENINGS

The Tamil Nadu Chapter celebrated Administrative Professionals Week on April 22<sup>nd</sup> 2023. It was also an occasion to catch up with team members and exchange pleasantries.

The event was sponsored by Apollo Hospitals, Chennai and held in their Auditorium. We were lucky to have a panel of doctors interacting with us. The formal PPT presentation was avoided since they wanted the session to be both informative and enjoyable.

Dr.P.Vijayashankar, Dr.B.Sivaraman and Dr.P.Basumani shared their views and later answered all the questions raised by our members. Christine Luker proposed the Vote of Thanks. She whole-heartedly thanked the doctors for the valuable time and for creating a great learning event by sharing their valuable inputs.

We certainly had many take away notes on ways and means to a healthy lifestyle. And we all resolved to give importance to our health amidst the constant pressures in life by changing our eating habits and taking time off to exercise and stay fit.

After lunch, it was time for celebrations. Ms. Christine Luker's game of Chinese Whispers brought us out of our lunch-induced sleepy mood. We were next entertained by a dance performance by our member Mrs.S.P.Vidhya. The catchy tunes she danced made our members happily sing along.

Our Chairperson had some important announcements to make which included the AGM in June.

Since all the events were completed, it was time to distribute the takeaway gifts. We are grateful to our sponsors – Murugappa Group, Medimix and Vooki. And also appreciative of the delicious snacks, tea and lunch sponsored by Apollo Hospitals.

Our members were happy to participate in yet another enjoyable and memorable event of our Chapter.

### MEETING INTIMATION

It was announced in the last meeting that the AGM would be held on 24<sup>th</sup> of this month. However, as the audit is still not completed and some more delay is expected, the Committee has decided to have the AGM in July. The date of the AGM would be finalized after consulting with the Auditors and taking into consideration, the availability of venue. The same would be intimated to our members shortly.

Regret the inconvenience caused.

Why are sport stadiums always so cool?

They are filled with fans.
